Support Program for Simcoe County Merchants

1

Online Store & Mobile POS

A beautiful online store personalized for your business with all products linked directly to a mobile POS you can use in-store or anywhere.

Free access until April 30, 2021

2

1-on-1 Setup & Support

Live assistance with setup, onboarding, and training to help your staff sell more to every customer.

Includes Free 30-Day Support Plan

3

Offer Pickup or Delivery

Make sure that your products are available for customers, however they like to shop. Easily get setup for pickup, local delivery or 3rd party shipping.

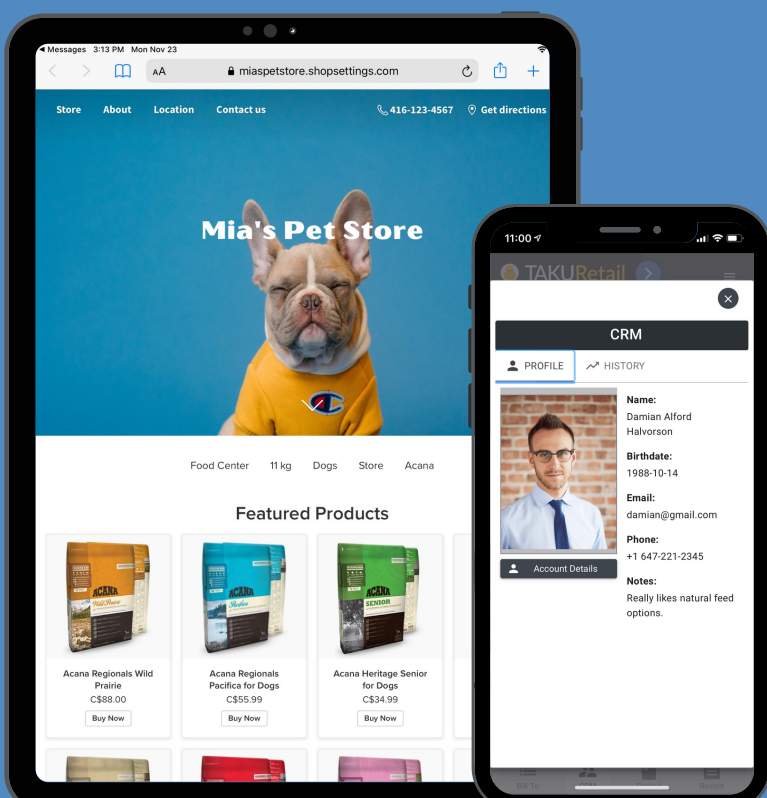

4

Show Up in Search Results

Automatically make sure your store and in-stock products are found on Google by local shoppers. A built-in feature at no extra cost.
