

Reopening for Curbside Pickup Only

REOPENING BEST PRACTICES

- Set up curbside pickup on your website or e-commerce store
- Enable staggered pickup times
- Install a stand with a physical barrier for protection.
- Offer contactless payments
- Review your fitting room policy
- Get creative with window displays and merchandising
- Place signage in the window
- Offer customers hand sanitizer
- Create floor/distance markers
- Make merchandising improvements in-store
- Organize back office tasks
- Regularly sanitize high contact surfaces
- Stagger employee shifts
- Implement proper hygiene and social distancing practices

NOTES
